## **Featuring Ricky, Julian and Bubbles**

Ricky, Julian and Bubbles are back and they're "Even More DRUNK, HIGH and UNEMPLOYED!" But not for long if Bubbles has his way!

Having answered to the law in the "Community Service Variety Show;" preaching the dangers of substance abuse to avoid jail time, the crew are now on the road without parole officers.

Spend an evening with the boys as Bubbles tries to create a new career for himself in the movie industry, Julian puts his latest money-making scams into action and Ricky has an idea that can 'change the world!'

### **About Trailer Park Boys**

Originally the concept of creator/director Mike Clattenburg, *Trailer Park Boys* began as a short film starring John Paul Tremblay (Julian) and Robb Wells (Ricky), which debuted to rave reviews at the 1999 Atlantic Film Festival. The premise: a camera crew chronicles the boys' adventures living in the Sunnyvale trailer park in Dartmouth, Nova Scotia.

Recruiting Mike Smith (Bubbles) to complete the haphazard trio, the idea spun-off a mockumentary-style show, which ran for seven seasons and produced two TV specials on Showcase (2001-2008). Guest stars included Rush's Alex Lifeson, Sebastian Bach and Rita MacNeil.

The boys released three full-length features: *Trailer Park Boys: The Movie* (2007), *Trailer Park Boys: Countdown to Liquor Day* (2009) and *Trailer Park Boys: Don't Legalize It* (2014). Wells, Tremblay and Smith have toured three Trailer Park Boys live stage productions throughout the United States, Canada, England, Scotland, Ireland, Australia and New Zealand. The series was revived in 2014 with the release of an eighth season and is currently streaming exclusively on Netflix worldwide.
